

Covid 19 Statement

With the increased severity of the situation worldwide due to the Coronavirus, we have updated our procedures both in line with the new government guidelines and going beyond them to our own satisfaction to ensure the safety of our employees and the community.

While observing these strict social distancing and disinfection protocols, we are remaining operational, still offering customer support and advice, and shipping all bike and accessory orders. However, due to the changes in working practice, there will likely be some short delays. Please be assured that we will doing our best to process all enquiries and orders as quickly as safely possible.

Note that with reduced capacity, where possible, it will be better to contact us by email.

Thank you for your patience and understanding. Stay Safe.

The Cyclecentric team
